

TRADITIONS™
classic look. modern design.

IB Roof Systems™
Expect More.

The Material

Traditions™ is a single-ply membrane that was designed to eliminate the problems associated with conventional asphalt shingles while maintaining the look of an architecturally designed shingle roof that fits your home or building.

Colors

Traditions designer colors are fade resistant and suitable for all types of climates. Traditions is available in:

Sierra Vista

Stony Ridge

Design

Traditions waterproofing system is made from a composite layer of durable PVC membrane. It is a reinforced single-ply featuring a printed architectural shingle pattern to give you the shingle look you want, without the problems.

Maintenance

Traditions is virtually maintenance free and is specially designed for low-sloped roofs. The high quality membrane resists mold, mildew, algae, chemicals and ultraviolet rays, and will continue to look great for years to come.

Warranty

Traditions offers warranties against manufacturing defects. All the accessories, flashings, vents, membrane and fasteners that attach the roof, are covered under the best warranty offered in the roofing industry.

Advantages

- Lifetime warranty
- Energy efficient
- Superior weather resistance
- Installs in less than one day
- Low maintenance
- UL, FM, ICC and Florida Building Commission approved
- Fire resistant
- Improves the appearance of your home or building
- Quiet

Our Commitment

Provide the best waterproofing systems for your home. By combining our vast membrane manufacturing experience with an aesthetically pleasing, easily maintained, slip resistant system, you get the ultimate roof that only IB Roof Systems can deliver.

Even on the lowest sloped roofs, you still can have a traditional shingle look.

Traditions is completely walkable, UV-stable and fire resistant.

Message from the President

Thank you for looking into Traditions from IB Roof Systems. We have seen a lot of changes in the roofing industry over the past 30 years and have gained a lot of knowledge and expertise. We have used this knowledge to bring you the ultimate in roofing systems ever designed and manufactured for your low pitched roof.

IB Roof Systems has roofs installed that are over 30 years old which are still performing great for their owners. This is because of our tireless effort to stay on the cutting edge of technology of single-ply membrane formulation and manufacturing.

I am confident that you will be pleased with your new roof. You have my word on it.

A handwritten signature in black ink that reads "Larry Stanley".
