

INTRODUCTION

IB Roof Systems, A Better Choice - For more than 40 years, IB Roof Systems has been producing complete PVC Single-Ply membrane roofing solutions for low-sloped roofing applications – with easier installation, less time and labor costs, longest warranty, lowest maintenance, and most durable membrane, coupled with the best technical and product support team.

IB Roof Systems is the right choice.

What you may not know.... IB Roof Systems is a second-generation family business. In the early 1970's the family business began as a coating and roofing contractor in the pacific northwest. After years of coating installations, they entered the PVC market.

Discover the Difference – At IB Roof Systems we believe that there are **three guiding principles** that lead us every day while we strive to be the **Industry's Best**... those principles are **Quality Products, Exceptional Service, and Technical Expertise**.

- **Quality Products** – Because quality has always been one of IB's guiding principles, we re-introduced a quality coating line in 2020. When seeking a quality restoration product to prolong the roof on your building, IB Roof Systems is dedicated to providing you with a proven, sustainable, and quality product. Contractors and design professionals comfortably and confidently select IB products because of their performance, reliability, and longevity. That translates into architects, engineers, and building owners across the country who have been able to rest assured that their IB Roof is a symbol of resilience and reliable performance. To meet that high standard of performance, you need to have a strong and reliable base that begins with the formulation of the product. IB Roof Systems has stayed true to its **Industry's Best** name enduring time and performance with a proven formula by utilizing only the highest quality resins, polymers, pigments, and UV stabilizers available to ensure the best quality available in acrylic, silicone, and urethane-based coatings.
- **Exceptional Service** - Customer service is a staple of IB Roof Systems. We are dedicated to providing an experience unlike any other for our customers. We work hard to ensure that we give the personal attention needed so that every project ends with a positive experience. This experience begins with the initial phone call to one of our inside sales or technical services representatives. You will be speaking with a highly knowledgeable individual who will be able to provide the answers and resolutions to your roofing needs. Regardless of whether you have a highly specialized commercial project or a residential property that needs the best kind of protection and/or performance available, IB Roof Systems can accommodate your needs. Our team can customize flashings to fit most penetrations and roof conditions. We even work in conjunction with the sales representative/building owner to customize a special color for your roof.
- **Technical Expertise** – IB Roof Systems strives to provide our applicators, design professionals, and building owners with exceptional technical assistance. We are here to provide you with all the tools that you need to complete a successful project. We offer highly trained field technical representatives providing invaluable expertise to the contractor through job-starts, interim, and final inspections to ensure quality installation.

This Manual is intended to provide IB Roof Systems' most recent statement of information available for the use and installation of IB Roof Systems products and coating assemblies. Therefore, this Manual supersedes and replaces all previous editions, publications, standard installation instructions and standard details pertaining to use and installation of IB Roof Systems products and roof assemblies. This Manual is intended to be a comprehensive standard guide. Project-specific roof conditions or other design or construction requirements may exist that are not addressed by this Manual. Questions and request for additional information regarding specific applications may be directed to IB Technical Services. IB reserves the right to change, modify, update, add or remove requirements contained in this Manual as we deem necessary and without prior notice.

We appreciate your consideration of IB Roof Systems and look forward to putting our service, technical expertise, and premium products to work for you. Call and speak to a knowledgeable roofing industry professional today, toll-free 800-426-1626 or visit our website at www.ibroof.com.
