

Product Description:

Fabricated from IB® PVC Clad Stainless Steel Metal constructed with a 24-gauge, SAE 304 stainless steel sheet metal with a durable 45-mil non-reinforced IB PVC film with acrylic finish, laminated to the top surface.

Use with M-1 Sealant, One-Part Pourable Penetration Sealant or fill with IB Sealer.

Features:

- Split pan format for ease of installation
- Factory welded reinforced membrane target allowing for easy installation
- Integral flanges for securement
- Custom orders available for a variety of membrane thicknesses and color options
- Custom fabricated to your exact specification

Packaging:

Sold as individual units.

Available Clad Metal Colors:

Clad Stainless-Steel Metal is available in White

Available Membrane Colors:

White	Cool Sand	Cool Stone	ChemGuard
Bronze	Gray	Tan	Terra Cotta

Attachment:

Refer to IB Specifications and Construction Details for installation requirements and additional information for approved substrates and specific uses. IB PVC Stainless Steel Pitch Pans must be secured in place over the installed membrane with IB® Fasteners approved for the substrate type. Split pan seams must be sealed with a continuous bead of M-1 Sealant or IB® Sealer and closed with pop-rivets spaced approximately 1" o.c. (not supplied).
