

Product Description:

Constructed of high-quality PVC polymers and plasticizers which are extrusion formed, the Flexible Metal Profile is designed to enhance the visual aesthetics of the roof by simulating a metal standing seam appearance. Inherent flexibility provides maximum versatility in adapting to a variety of flat, radius and curved substrates.

Product Specs:

- Length: 10'
- Profile height: 1-1/8"
- Rib profile: 5/8" (base), 1/4" (top)
- Base flange: 1-3/8"

Packaging:

- 36 units per box.
- Weight: 2 lbs. each, 72 lbs. per box

Available Membrane Colors:

White	Cool Sand	Cool Stone	ChemGuard
Bronze	Gray	Tan	Terra Cotta

Use:

IB® Flexible Metal Profiles are used in conjunction with IB PVC Single Ply membranes and are intended to be hot air installed.

Application:

Refer to IB PVC Specifications and Construction Details for installation requirements and additional information for specific uses. Refer to www.ibroof.com for additional installation instructions. Membranes must not be applied during adverse weather or without precautionary measures in temperatures below 40°F (4°C). All surfaces should be clean, dry, free of dirt, dust, debris, oils, soaps, coatings, and other contaminants that may inhibit bonding.

Storage:

Store IB PVC Flexible Metal Profiles indoors, out of direct sunlight, in original unopened containers and away from objects that could cause physical damage or create punctures as well as ignition sources.

Product details stated are nominal as manufactured, and the results of tests and/or calculations and therefore are non-binding and do not represent a guarantee or warranted characteristics. User and/or designer are responsible for confirming suitable performance for specific application and conforming with all applicable laws and regulations.

Safety Precautions:

Use proper equipment and assistance when moving, lifting, handling, or transporting membrane rolls to avoid personal injuries as well as damage to the membrane. Refer to the Product Safety Data Sheet for additional safety information.
