

## Product Description:

IB® Recover Membrane Vent is a two-way style, heavy duty, UV stabilized PVC vent with a strong cap that is permanently attached, making it vandal and wind-blown resistant. The 5" vent has a round IB® PVC Single Ply target flashing dielectrically welded to the vent flange. The vents are designed for ease of installation and are required on recover roof installations over existing roofs.

## Packaging:

Individual or 25 per box.

## Weight:

2.4 lbs./ 60 lbs. per box.

## Vent Colors:

White, Bronze, Tan, and Gray

White	Bronze	Tan	Gray
-------	--------	-----	------

## Available Membrane Colors:

White	Cool Sand	Cool Stone	ChemGuard
Bronze	Gray	Tan	Terra Cotta

## Use:

Install in accordance with IB Specifications and Construction Details at the rate of 1 for every 1,000 sq. ft. on all mechanically attached assemblies and when recovering over existing insulated roof systems and existing lightweight concrete decks.

**Note: Not intended for interior space or general building ventilation. Do not use over or in lieu of other roof vents, exhaust, plumbing, bath, or kitchen vents.**
