

Product Description:

IB TPO NR Detail Roll is a flexible non-reinforced thermo-plastic polyolefin designed to field form flashing around corners and penetrations where TPO field membrane detailing is difficult and pre-molded flashings are unsuitable.

Use:

Used in a variety of IB TPO Construction Details and in difficult to flash areas such as at corners and penetrations where TPO field membrane detailing is difficult and pre-molded flashings are unsuitable.

Thickness:

60 mil

Available Colors:

*Gray and tan are special order only

Sizes:

- 24" x 50' / 36.0 lbs.
- 48" x 50' / 72.0 lbs.

Packaging:

Each box contains one (1) individual roll.

Application:

Refer to IB TPO Specifications and Construction Details for installation requirements and additional information for specific uses. IB TPO NR Detail Roll is designed for hot air welded seaming and installation over approved IB TPO SM and IB TPO FB membranes.

Refer to www.ibroof.com for additional installation instructions. Membranes must not be applied during adverse weather or without precautionary measures in temperatures below 40°F (4°C). All surfaces should be clean, dry, free of dirt, dust, debris, oils, soaps, coatings, and other contaminants that may inhibit bonding.

Product details stated are nominal as manufactured, and the results of tests and/or calculations and therefore are non-binding and do not represent a guarantee or warranted characteristics. User and/or designer are responsible for confirming suitable performance for specific application and conforming with all applicable laws and regulations.

Storage:

Store IB TPO NR Detail Roll indoors, out of direct sunlight, in original unopened containers and away from objects that could cause physical damage or create punctures as well as ignition sources. The membrane is flammable and will catch fire when exposed to open flame.

Safety Precautions:

Use proper equipment and assistance when moving, lifting, handling, or transporting membrane rolls to avoid personal injuries as well as damage to the membrane. Refer to the Product Safety Data Sheet for additional safety information.
