

Product Description:

IB TPO Pre-molded Corner is a pre-molded accessory designed for use as an inside corner or outside corner.

Use:

For use as an inside corner or outside corner on all TPO thermoplastic roof systems

Thickness:

60 mil

Available Colors:

Sizes:

3" x 3" x 6"

Packaging:

Each box contains 20 patches.

Box weight = 6.0 lbs.

Application:

Refer to IB TPO Specifications and Construction Details for installation Cut to fit according to the diagram below for each application. Following final flashing membrane installation, hot-air weld and hand roll in either an inside corner or outside corner condition. No additional caulking or edge sealant is required requirements and additional information for specific uses. IB TPO Pre-molded Corner is designed for hot air welded seaming and installation over approved IB TPO SM and IB TPO FB membranes.

Refer to www.ibroof.com for additional installation instructions. Membranes must not be applied during adverse weather or without precautionary measures in temperatures below 40°F (4°C). All surfaces should be clean, dry, free of dirt, dust, debris, oils, soaps, coatings, and other contaminants that may inhibit bonding.

Storage:

Store IB TPO Pre-molded Corner indoors, out of direct sunlight, in original unopened containers and away from objects that could cause physical damage or create punctures as well as ignition sources. The membrane is flammable and will catch fire when exposed to open flame.

Product details stated are nominal as manufactured, and the results of tests and/or calculations and therefore are non-binding and do not represent a guarantee or warranted characteristics. User and/or designer are responsible for confirming suitable performance for specific application and conforming with all applicable laws and regulations.

Safety Precautions:

Use proper equipment and assistance when moving, lifting, handling, or transporting membrane rolls to avoid personal injuries as well as damage to the membrane. Refer to the Product Safety Data Sheet for additional safety information.
