

## Product Description:

IB TPO SA Cover Tape is made from 30 mil non-reinforced thermoplastic polyolefin, (TPO) membrane laminated to a 30-mil thick, self-adhesive tape.

## Use:

- As a self-adhesive strip in flashing detail for metal edge flanges
- Used in conjunction with IB TPO Primer
- Max system warranty limitation term is 20 years.

## Thickness:

- 30 mil – membrane
- 30 mil – tape

## Available Colors:

*\*Gray and tan are special order only*

## Sizes:

6" x 100' / 35.0 lbs.

## Packaging:

Each box contains two (2) individual rolls.

## Application:

Refer to IB TPO Specifications and Construction Details for installation requirements and additional information for specific uses. Prime metal with IB TPO Primer prior to applying IB TPO SA Cover Tape. IB TPO SA Cover Tape is designed to be self-adhered to the metal edge flanges and over approved IB TPO SM and IB TPO FB membranes. Membranes must not be applied during adverse weather or without precautionary measures in temperatures below 40°F (4°C). All surfaces should be clean, dry, free of dirt, dust, debris, oils, soaps, coatings, and other contaminants that may inhibit bonding.

Product details stated are nominal as manufactured, and the results of tests and/or calculations and therefore are non-binding and do not represent a guarantee or warranted characteristics. User and/or designer are responsible for confirming suitable performance for specific application and conforming with all applicable laws and regulations.

## Storage:

Store IB TPO SA Cover Tape indoors, out of direct sunlight, in temperatures between 60°F – 80°F (16°C – 27°C) in original unopened containers and away from objects that could cause physical damage or create punctures as well as ignition sources. The membrane is flammable and will catch fire when exposed to open flame.

## Self-Life:

18 months from date of manufacture

## Safety Precautions:

Use proper equipment and assistance when moving, lifting, handling, or transporting membrane rolls to avoid personal injuries as well as damage to the membrane. Refer to the Product Safety Data Sheet for additional safety information.
